

Assembly Instructions and Material List
For Diamond Back Swing

Box Should Contain 1 Seat, 1 Back, 2 Arms and Arm Posts,
6 Carriage Bolts with Hex Nuts, 6 Washers, and 4 Chains

Position Seat, Insert Right Arm and
Left Arm Assembly, Between
Front and Back Rails.

Insert Bolts from Front then Put
Chain on Followed by Washer and Nut.

Put chain on Rear Bolt then Insert
Bolt on Rear Seat Followed
By Washer and Nut.

Repeat for Left Side.

Pull Chain Through
Arm Holes.

Position Back between the Right
And Left Arm. Line Up Holes,
Insert Bolts, Attach
Washers, and Nuts, then Tighten.

Be Sure Washers are on
Before Nuts. Tighten All
Nuts Before Use And Check
Periodically After Use.
