

Congratulations on your purchase of this beautiful natural rust patina fire pit!

This product is designed to age to a natural rust finish. Depending on environmental conditions, this process can take more or less time to achieve the colorations shown below.

Please note: During this process, some color can transfer and stain other surfaces. Please make sure this fire pit is placed in a location that is suitable for this potential finish transfer. Instructions for simple methods to remove rust from various surfaces can be found online.

Thank you for your purchase.
