

Deluxe Picnic Table w/ Detached Seating

(Item #ASM-DPT6DS)
by Polly Products

This new version of the Polly Deluxe 6 foot picnic table has bench seating and is ideal for a larger group of people. The sturdy bench seating adds increased comfort with more leg room as well as added seat width. Crafted out of smaller boards, the tabletop has the look of the classic wooden tables but without the maintenance demands. Recycled plastic doesn't splinter, rot or peel and you can leave it outside all winter. As in all of our products, we use only stainless steel fasteners to insure lasting beauty.
