## STEP-BY-STEP ASSEMBLY:

Please follow directions closely as all pieces are marked specifically and must be assembled as shown

- 1** STEP 1: Lay the face frame upside down, cut open fixed bandages, and take out the bench legs. Lay the face frame (1) upside down on the floor. Secure the legs (2) to face frame with the flat washer (A), spring washer (B), and bolt (C) by using allen key (D) clockwise. Level the bench and tighten all bolts securely.

## MAINTENANCE AND CARE TIPS

- Check and re-tighten screws/bolts after the product has been used for a period of time.
- Dust with a soft cloth moistened with a polish as the polish will help eliminate the scratching that occurs with dry dusting.
- Soap and water are not advisable for wood surfaces.
- It is best to keep your furniture in a climate controlled environment. Extreme temperature and humidity changes can cause warping, shrinking, and spitting of wood. It is advised to keep furniture away from direct sunlight as it may damage the finish.
- Do not stand on the unit as it with a soft surface to load the weight of body.
