

4 pizze

ALFA PIZZA
wood fired cooking at home

4 pizze

With a wider opening, larger cooking chamber and preparation shelves, the forno 4 Pizze is a versatile oven. Great for entertaining and larger family events, it's easy to move and easy to use. Makes every event a culinary success.

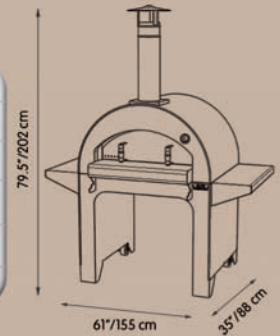

FORNINOX Technology

The stainless steel dome reaches the right temperature in only minutes with only few pieces of wood. It stores heat and retains during all the cooking time.
