Ventura Luxury Recliner

The Ventura series recliner provides the best comfort under the sun with deep cushioned comfort and built-to-last functionality. This unit would be a comfortable addition to your Ventura 4-piece set and will easily be sought after by your guests while entertaining.

This recliner features resin weave wicker strapping on a rust-resistant, all aluminum frame. The quick drying cushions are covered in 100% olefin for a luxurious linen feel and long-lasting durability. The fabric is treated to resist stains and UV harm. Add this recliner to your outdoor lounging area and enjoy relaxing in the outdoors in a more comfortable way.
