## 360° Extension Kit 36”

### DESCRIPTION:

At Primetime Petz, we believe you no longer have to sacrifice the style and elegance of your home in order to enjoy the rewards of pet ownership. The 360° Extension Kit 36” is an elegant, furniture-quality 2-panel freestanding gate. Use by itself as a standalone gate for openings up to 40 inches wide or easily attach to the 360° Configurable Gate 36” to allow for an even greater number of configurations and a larger play pen. When used together, the gate and extension makes a 6 panel room divider which safely spans openings up to 10 feet wide. All tools included to assemble in minutes. Rubber pads on the bottom of the gate prevent sliding and keep floors safe from scratching. Finished in a gorgeous Walnut, this gate is lightweight for quick and easy relocation and folds down in seconds for simple, convenient storage. At 36 inches tall, this gate is rated for all sized pets. Add a stunning compliment to your home’s existing décor while safely and effectively containing your beloved pet. Spindle distance is 1¾ inches. Gate is 100% wooden; no MDF or press board. Item dimensions: 44”L x .7”W x 36H”
